

- \* Please let them know June is considered peak season for hotels so many of them say book ASAP so you don't miss out on a room
- \* All these prices reflect a room for 1 person and one bed per room.
- \* Also most hotels asked if guests would be reserving rooms at the same time or separately so make sure you ask them that.
- \* and also will the guest be paying separately or will the organization be doing that?
