

# 2022 Student STEM Camp

MARTIN HIGH SCHOOL • ARLINGTON, TX • JUNE 13-16, 2022

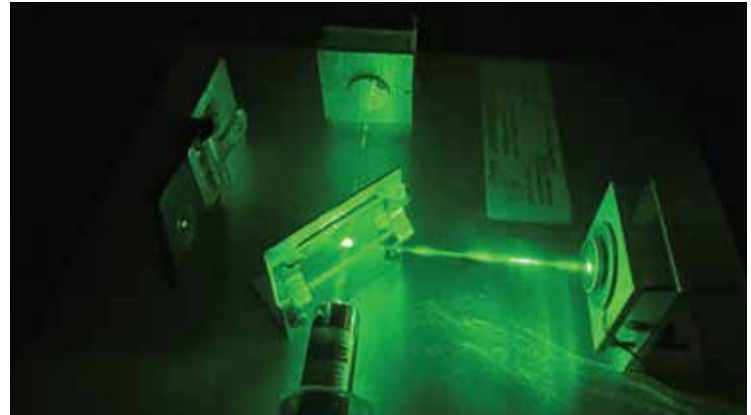

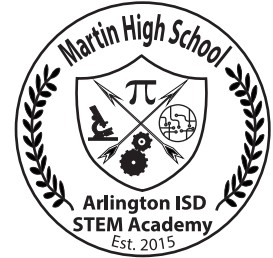

Open to current high school students (grades 9-12) interested in STEM and quantum applications.

Accepted students will receive a stipend of \$100 for attending the 4 days, therefore the number attending will be limited. Camps will be in person (F2F). Use QR code to register:

Camp topics include:

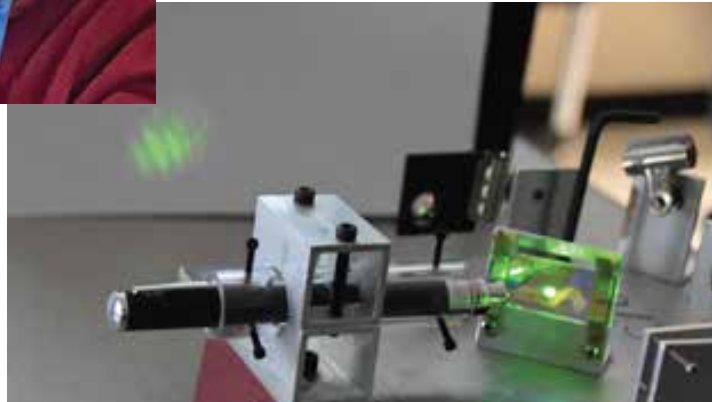

- Engineering Design
- 3-D planning
- Coding
- Internet Security (QKD)
- STEM career opportunities
